

# Etham - Before I Lose My Mind

Tom: G

Look at the state I'm in  
 I couldn't say where I've been  
 Knowing that it ain't felt like home  
 When you drink in the days away  
 They all kind of feel the same  
 It's a truth that I had to face alone

I don't know what  
 I've been running from, running from  
 Or what I thought I would find

All I know is  
 You're the only one, only one  
 I need you tonight

Before I lose my mind  
 Before I lose my mind  
 Before I lose my mind  
 Before I lose my mind

Your face's stuck around my eyes  
 How have I been so blind?  
 Don't tell me that I'm too late this time  
 So much I couldn't see  
 With words that I didn't speak  
 Why do I have to do to make you mine?

I don't know what  
 I've been running from, running from  
 Or what I thought I would find  
 All I know is  
 You're the only one, only one  
 I need you tonight

Before I lose my mind  
 Before I lose my mind  
 Before I lose my mind  
 Before I lose my mind

I don't know what  
 I've been running from, running from  
 Or what I thought I would find

All I know is  
 You're the only one, only one  
 I need you tonight

Before I lose my mind  
 Before I lose my mind  
 Before I lose my mind  
 Before I lose my mind

I don't know what  
 I've been running from, running from  
 I need you tonight
