Em D G  
It's been a few days, nothings the same, you're a stranger  
Em D G  
But in my heart, I know that there's no one that could know  
you better  
Em D G A  
Gbm  
Maybe you're right, but I need time for me to write this  
chapter on my own

Em D G  
So many fights, so many nights I couldn't hold my anger  
Em D G  
I'd sleep in my car and wonder if I get to see you later  
Em D G A  
Gbm  
I'm done with the lies, done with the trying so I guess  
you're not my problem now

[Refrão]

G  
'Cause I just want to hold you close  
A  
But I just fucking let you go  
Bm  
Mistakes are irreversible  
A  
So I think this might be better now  
G  
I don't want to drink tonight  
A  
But I need something to disguise  
Bm  
This pain that sits beneath my eyes, and in my mind  
A  
I think this might be better now, better now, I'm better now  
G A Bm A  
Ooh ooh, no no

Em Bm G  
I wish you had faith but I was faced with an ultimatum  
Em Bm G  
You knew I had dreams so who were you to tell me to forget  
them  
Em Bm G  
And now it all seems your world is crashing down  
A Gbm  
You're blaming me for all that's been done

[Refrão]

Now we've lost what still remains of our trust
