Where happiness ends
And dies with you

I was too young
To notice
That some types of love could be bad

Praying I'd be like you
Doing all of the things that you do
And I still do
And that scares me
      Bb
   I'm tired of you, still tied to me
(Bleeding whenever you want)
        Bb
Too tired to move, too tired to leave
   Bb F
I'm tired of you, still tied to me
                     Eb
(It's just the way that you are)
          Bb
I'm tired of you, too tired to leave
     Eb
(I just wanna sleep)
        Bb
I'm tired of you, still tied to me
