

# Etta James - I'd Rather Go Blind

Tom: **D**

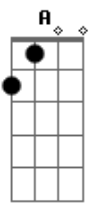

**A**  
 Something told me it was over  
**A**  
 when I saw you and her talking,  
**Bm**  
 Something deep down in my soul said, 'Cry Girl',  
**A**  
 when I saw you and that girl, walking out.  
**Bm**  
 I would rather, I would rather go blind boy,  
**A**  
 Than to see you, walk away from me child, and all.  
 Ooooo So you see, I love you so much  
**Bm**  
 That I don't want to watch you leave me baby,

**A**  
 Most of all, I just don't, I just don't want to be free no  
**Bm**  
 I was just, I was just, I was just sitting here thinking  
**A**  
 Of your kisses and your warm embrace, yeah,  
**Bm**  
 When the reflection in the glass that I held to my lips now  
 baby,  
**A**  
 Revealed the tears that was on my face, yeah.  
**Bm**  
 And baby, baby, I would rather be blind boy  
**A**  
 Than to see you walk away, see you walk away from me, yeah  
**Bm**  
 Baby, baby, baby, I'd rather be blind now
