

# Eu - Words

tom:  
 If... one day I tell you  
 With words, not actions  
 Believe because, with actions  
 I don't know how, to express  
 Believe because, with actions  
 I don't know how, to express  
 Words show me  
 How to speak, because with  
 Actions, I don't know how to explain

If one d-ay... the wind takes  
 My words, with actions  
 I will not know, show  
 My love  
 If one day, I walk away  
 I know you didn't believe  
 My words, Because words  
 Show me how to express myself  
 Because with a-ctions  
 I don't know how to speak
