

# Europe - Always The Pretenders

Tom: **D**

When I looked up tabs for this song, I was suprised that there were only Guitar Pro so I decided to tab it myself, as it's not too hard.

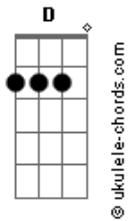

Tuning: Standard  
Album: Secret Society  
Tabbed by: Tiggy Tiggemann (; any complaints, corrections or the e-mailed here please)

Here it is:  
Intro: Guitar 1

Guitar 2 (played on a keyboard)

Verse  
Guitar 1

## Acordes

Guitar 2

Chorus lead-in  
Both guitars

Chorus  
Both Guitars

Thats it. The Intro kicks in a little later, after the solo, which, unfortunately, I do know. Listen to the song for the order/timing.

P.S. I'm a little unsure on the chorus. I will correct myself if it's wrong.

Have fun
