

Europe - Got To Have Faith

Tom: Gb

Pra dedilhar na ponte em cada acorde (todos usam pestana) use o tab para:

Riff verso fraco

Riff verso (pesadinho , pode acarretar um headbang)

transição

refrão (arranhe as cordas com a distorção alta do amplificador , coisa que os metaleiros adoram, a cada início)

solo - O John Norum usou o wah - wah dele , indicado por w em cada nota
bw = bend e wah- wah wv= vibrato e wah - wah

A letra e localização dos tabs :

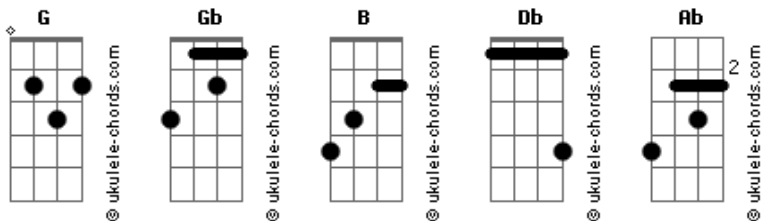

riff verso fraco 2x

riff verso de fundo aqui:
The race is on
I found my way
Something has changed since I've been away
The fear is gone
and I can't wait
I feel the rut, still got dues to pay

transição

refrão:
Well I had enough
Gonna stand up straight

Acordes

Rebuild my life
Well you gotta have faith
and it will be tough
gonna fight each day
'til I'm back on top
Well you gotta have faith

riff verso fraco

riff de verso de fundo:
Full speed ahead
I waste no time
Now I know how to live my life
I've been knocked down - come back around
It put some soul in this heart of mine

transição

Refrão

Ponte:
B Db
I get the feelin'
Ab G
I can go that extra mile
B Db
I get the feelin'
Ab G
I can reach that open sky
B Db
I get the feelin'
Ab G
Things will never be the same
B Db
I get the feelin'
Ab G Db
That I can win again!

solo

refrão:
Well I had enough
Gonna stand up straight
Rebuild my life
Well you gotta have faith
