

# Europe - In My Time

Tom: C

I found the strength  
 I'm breathing again  
 And I've told myself  
 I'm still a lucky man  
 'Cause when I thought I couldn't start anew  
 When it's dark a light shines through  
 In my time  
 , I got to love you  
 You showed me how  
 Just how good life can be  
 Looking back now  
 It's almost hard to believe  
 I'll move ahead, you know, I'll do my best  
 And through it all, I know I'm blessed  
 'Cause in my time  
 I got to love you  
 I never needed someone  
 Like I need you right now

Just when my new life's begun  
 Something reminding me you'll always be the one  
 So I pick myself up and I won't let you down  
 'Cause in my time  
 I got to love you  
 I take good care of what's left behind  
 I hope it gives you some piece of mind  
 Right now it's tough, but I swear that  
 I'm forever glad you were mine
