

Europe - Open Your Heart

Tom: **D**

Bm **Bm7**
Days filled with joy, and days filled with sorrow
Em7 **A7**
I don't know just what to do.
Bm **Bm7**
Am I happy today? **Am** I lonely tomorrow?
Em7 **A** **A7**
Everything depends on you.

G **G** **Em** **D** **D7** **Bm7**
And I've been waiting for the angels to knock on my door.
G **A** **G** **A** **G** **Em** **D** **A7**
I've been hoping that everything could be like before.

Open your heart and tell me whats wrong.
Why can't yo talk like you used to do before?
I don't know if I'm weak.
I don't know if I'm strong.
Hey girl I can't cope anymore.

And I've been waiting for the angels to knock on my door.
I've been hoping that everything could be like before.

(**B** **D** **G** **D** **A** : **B** **D** **G** **E** **G** **A**)

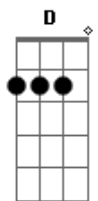

Bm **D** **G** **D** **A**
Open your heart, let me hear you
Bm **D** **G** **Em** **G** **A**
Make up your mind, I want to hear you call
Bm **D** **G** **D** **A**
Open your heart, want to come near you
Bm **D** **G** **Em** **Gbm** **G** **A**
And make up your mind before we lose it all.

Maybe that time has it's own way of healing.
Maybe it dries the tears in your eyes
But never change the way that I'm feeling.
Only you can answer my cries.

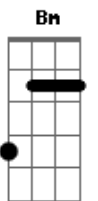

And I've been waiting for the angels to knock on my door.
I've been hoping that everything could be like before.

Open your heart, let me hear you
Make up your mind, I want to hear you call
Open your heart, want to come near you
And make up your mind before we lose it all.
