abaixo temos um solo longo em que o Kee Marcelo faz um " tour " pelos corredores do clipe. Vem depois do segundo refrão. Legal,mas meio difícil de fazer quando ele acelera. Tem uma parte dele que usa o vigésimo quinto traste da guitarra, mas adaptei pras que tem 22 ou menos,como certas stratocasters

Agora a cifra e onde entra cada tablatura:

Keep on walking that road and I'll follow

Keep on calling my name I'll be there

And if a mirror should break it's easy to take

Cause deep down I know that you care

I'm not superstitious

riff 1

riff 2
I'm not superstitious, I have no doubt

lick 1
That there's a reason, how things turn out

riff 2
While things are changin' from day to day

Acordes

lick 2
I'll keep this feelin' with me all the way

Ponte:

G F G
And I want you to know

F C lick 3
That you're on my mind

G F G Bb C
Every day, all of the time

refrão:

F Em lick 4
So keep on walkin' that road and I'll follow

F Em lick 5
Keep on callin' my name I'll be there

F Dm C Dm
And if a mirror should break it's easy to take

C
Cause deep down I know that you care

I'm not superstitious

riff 1

riff 2
There might be times of wonder

When I'm on my own

lick 6
Tryin' to find out if love has gone

riff 2
It might make a difference

It might bring me down

lick 2
But no superstition is gonna turn things around

ponte refrão

solo

F
So keep on walkin'

Em Dm Bb
and we'll make things right

F
So keep on dreaming

Dm Bb
each and every night

C7 Dm
We're gonna make it, that's what we'll do

F C7
Right to the end girl, we're gonna walk on through
