No-one on earth could feel like this
I'm thrown and overblown with bliss

There must be an angel
Playing with my heart

I walk into an empty room
And suddenly my heart goes "boom"

It's an orchestra of angels
And they're playing with my heart

Must be talking to an angel
Must be talking to an angel

Must be talking to an angel
Must be talking to an angel

Must be talking to an angel
Must be talking to an angel

Must be talking to an angel
Must be talking to an angel

No-one on earth could feel like this
I'm thrown and overblown with bliss

There must be an angel

Playing with my heart
And when I think that I'm alone
It seems there's more of us at home
It's a multitude of angels
And they're playing with my heart

Must be talking to an angel
Must be talking to an angel

Must be talking to an angel
Must be talking to an angel

Must be talking to an angel
Must be talking to an angel

Must be talking to an angel
Must be talking to an angel

I must be hallucinating
Watching angels celebrating.
Could this be reactivating
All my senses dislocating?
This must be a strange deception
By celestial intervention.
Leavin' me the recollection
Of your heavenly connection.
