

# Evan Westerlund - Howlin' At The Moon

tom:  
 D (forma dos acordes no tom de C )  
 Capostraste na 2ª casa

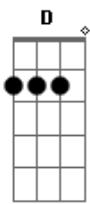

Am C  
 Last night I saw your reflection  
 G  
 In the moon  
 Am  
 You were smiling down  
 C G  
 Through the window of my bedroom  
 Am C  
 From far across the miles  
 G  
 From across the sea  
 Am C  
 It looked like old Mister Moon  
 G  
 Had brought you back to me

Am C G  
 Yeah, but some folks think I'm crazy  
 Am C G  
 Some folks think I'm crazy  
 Am C G  
 For howling at the moon  
 Am C G  
 For howling at the moon  
 Am  
 Two teardrops formed  
 C G  
 At the corners of my eyes  
 Am C  
 As I watched a shooting star  
 G  
 Fall across the sky

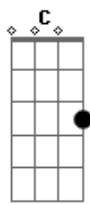

I wished a wish for you, a wish for me  
 G  
 Now we'll be alright  
 Am C  
 That's the message old mister moon  
 G  
 Was sending me last night  
 Am C G  
 Yeah, but some folks think I'm crazy  
 Am C G  
 Some folks think I'm crazy  
 Am C G  
 For howling at the moon  
 Am C G  
 For howling at the moon  
 Am C G  
 And tonight I know you're coming home  
 Am C G  
 I won't have to sit here all alone  
 Am C G  
 Staring out the window at the dark of night  
 Am C G Am  
 I can't wait to see your smile so bright

Am C G  
 Yeah, but some folks think I'm crazy  
 Am C G  
 Some folks think I'm crazy  
 Am C G  
 For howling at the moon  
 Am C G  
 For howling at the moon  
 Am C G  
 I'm howling at the moon  
 Am C G  
 I'm howling at the moon  
 Am C G  
 I'm howling at the moon  
 Am C G  
 I'm howling at the moon
