

# Evanescence - Away From Me

Tom: Ab

I hold my breath as this life starts to take its toll  
 I hide behind a smile as this perfect plan unfolds  
 But oh, God, I feel I've been lied to  
 Lost all faith in the things I have achieved

And I've woken now to find myself  
 In the shadows of all I have created

I'm longing to be lost in you (away from this place I have made)

Won't you take me away from me

Crawling through this world as disease flows through my veins  
 I look into myself, but my own heart has been changed  
 I can't go on like this  
 I loathe all I've become

Lost in a dying world I reach for something more  
 I have grown so weary of this lie I live
