

Evanescence - Breathe no more

Tom: D

Bm G A Bm G A
 I've been looking in the mirror for so long

Bm G A Bm G A
 That I've come to believe my soul's on the other side

Bm G A Bm G A
 All the little pieces falling shatter

Bm G A Bm G A
 Shards of me too sharp to put back together

Gb G
 Too small to matter

Bm A Gb G
 But big enough to cut me into so many little pieces

A
 If I try to touch her

G A G A
 And I bleed, I bleed

Bm A Bm A
 And I breathe, I breathe

Bm
 No more

Bm G A Bm G A
 Take a breath and I'll try to draw from my spirit's well

Bm G A Bm G A
 No more

Yet again you'll refuse to drink like a stubborn child

Bm G A Bm A G A
 Lie to me, convince me that I've been sick forever

Bm G A Bm G A
 And all of this, will make sense when I get better

Gb G
 But I know the difference

Bm A
 Between myself and my reflection

Gb G
 I just can't help but to wonder

A
 Which of us do you love?

G A G A
 So I bleed, I bleed

Bm A Bm A
 And I breathe, I breathe no...

G A G A
 Bleed, I bleed

Bm A Bm A
 And I breathe, I breathe

Bm A Bm A
 I breathe, I breathe

Bm G A Bm
 No more
