

Evanescence - Breathe no more

Tom: D

Bm G A Bm G A
 I've been looking in the mirror for so long
Bm G A Bm G A
 That I've come to believe my soul's on the other side
Bm G A Bm G A
 All the little pieces falling shatter
Bm G A Bm G A
 Shards of me too sharp to put back together
Gb G
 Too small to matter
Bm A Gb G
 But big enough to cut me into so many little pieces
A
 If I try to touch her
G A G A
 And I bleed, I bleed
Bm A Bm A
 And I breathe, I breathe
Bm
 No more
Bm G A Bm G A
 Take a breath and I'll try to draw from my spirit's well
Bm G A Bm G A
 No more

Yet again you'll refuse to drink like a stubborn child
Bm G A Bm A G A
 Lie to me, convince me that I've been sick forever
Bm G A Bm G A
 And all of this, will make sense when I get better
Gb G
 But I know the difference
Bm A
 Between myself and my reflection
Gb G
 I just can't help but to wonder
A
 Which of us do you love?
G A G A
 So I bleed, I bleed
Bm A Bm A
 And I breathe, I breathe no...
G A G A
 Bleed, I bleed
Bm A Bm A
 And I breathe, I breathe
Bm A Bm A
 I breathe, I breathe
Bm G A Bm
 No more
