

# Evanescence - Farther away

Tom: C

[Intro:] Am Bm D C

Am F Am  
I took their smiles and I made them mine  
F Am  
I sold my soul just to hide the light  
C D Am  
And now I see what I really am,  
C D  
A thief a whore, and a liar  
Am Bm D C  
I run to you,  
Am Bm D C  
Call out your name,

Am Bm D C Am Bm D C  
I see you there, farther away

Im numb to you, numb and deaf and blind  
You give me all but the reason why  
I reach but I feel only air at night  
Not you, not love, just nothing  
Am C D  
Try to forget you but without you  
E  
I feel nothing  
Am C D  
Don't leave me here, by myself  
E  
I can't breathe
