

Evanescence - Farther away

Tom: C

[Intro:] Am Bm D C

Am F Am
I took their smiles and I made them mine
F Am
I sold my soul just to hide the light
C D Am
And now I see what I really am,
C D
A thief a whore, and a liar
Am Bm D C
I run to you,
Am Bm D C
Call out your name,

Am Bm D C Am Bm D C
I see you there, farther away

Im numb to you, numb and deaf and blind
You give me all but the reason why
I reach but I feel only air at night
Not you, not love, just nothing
Am C D
Try to forget you but without you
E
I feel nothing
Am C D
Don't leave me here, by myself
E
I can't breathe
