

Evanescence - Find a Way

Tom: F

D
 Take my hand, hold me close
 Every breath's a gift
 We don't know what tomorrow holds
 But I know **Gm** I need you, **D** you show me the **Gm** truth **D**
Gm And I will reach you somehow **F**

Bb **Gm** **D**
 I'll find a way
Bb **Gm** **D**
 Build another world beyond the pain
Bb **Gm** **D**
 I'll find a way to keep you safe
Bb **A** **D**
 Until the end of time

D
 I can't hide tears I've cried
 Nothing in this world will move me
 I'm never gonna leave your side
Gm **D** **Gm** **D**
 I want to see your face and hide in your wake **Gm** **F**

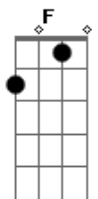

As long as you are with me

Bb **Gm** **D**
 I'll find a way
Bb **Gm** **D**
 Build another world beyond the pain
Bb **Gm** **D**
 I'll find a way to keep you safe
Bb **A** **Bb**
 Until the end oh

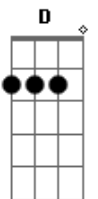

Bb **D**
 Break the chains within your mind
Bb **A**
 Fighting blindly through the dark
Bb **Gm**
 I know you hear me, I would give my life
Bb
 If it would save you from this

Bb **Gm** **D**
 I'll find a way
Bb **Gm** **D**
 Build another world beyond the pain
Bb **Gm** **D**
 I'll find a way to keep you safe
Bb **A** **D**
 Until the end of time
