Evanescence - Going Under

```
Tom: D

   Primeira Estrofe:

 B                    B
Now I will tell you what I've done for you
B                           B
      Fifty thousand tears I've cried
   B                    B
Screaming, deceiving and bleeding for you
     B           B
And you still won't hear me

Going under

 B
Don't want your hand
          B
This time I'll save myself
B                         B
      Maybe I'll wake up for once
     B
Not tormented daily
   B
Defeated by you
          B
Just when I thought
     B
I'd reached the bottom

I'm dying again
