

Evanescence - If You Don't Mind

Tom: A

Gbm
Where's the light?
Killed my day

E
Lost in the dark of your ways

Gbm
Wasted my energy; Empathy

E **D**
With your sweet lie

Gbm **D**
Honey, if you don't mind

E **D**
I would like to live alone, And I will survive

Gbm **D**
And if you don't mind

E
I would love to slip away

D **E** **Gbm**
And leave your world behind

Gbm
Insecure and not so sure
You're not just faking something

Gbm **E**
We stand our last day

D **E**
And can't shake the pain

Gbm **D**
And if you don't mind

E **D**
I would like to live alone, And I will survive

Gbm **D**
And if you don't mind

E
I would love to slip away

D **E** **Gbm**
And leave your world behind

Gbm **D**
And if you don't mind

E **D**
I would like to live alone, I will survive

Gbm **D**
And if you don't mind

D **E** **Gbm**
I you don't mind...
