

# Evanescence - My Heart Is Broken

Tom: Gb

I will wander till the end of time  
 torn away from you

I pulled away to face the pain  
 I close my eyes and drift away  
 over the fear  
 that I will never find  
 a way to heal my soul  
 and I will wander till the end of time  
 torn away from you

My heart is broken  
 sweet sleep, my dark angel  
 deliver us from sorrow's hold  
 (over my heart, heart)

I can't go on living this way  
 But I can't go back the way I came  
 chained to this  
 fear that I will never find

a way to heal my soul  
 and I will wander till the end of time  
 half alive without you

My heart is broken  
 sweet sleep, my dark angel  
 deliver us

Change  
 Open your eyes to the light

I denied it all so long, oh so long  
 Say goodbye  
 Goodbye

My heart is broken  
 Release me, I can't hold on  
 Deliver us

My heart is broken  
 sweet sleep, my dark angel  
 deliver us from sorrow's hold
