

Evanescence - My Immortal

Tom: A
Intro:

I'm so tired of being here

Suppressed by all my childish fears

And if you have to leave

I wish that you would just leave

'Cause your presence still lingers here

And it won't leave me alone

These wounds won't seem to heal

This pain is just too real

There's just too much that time cannot erase

When you cried I'd wipe away all of your tears

When you'd scream I'd fight away all of your fears

And I've held your hand through all of these years

But you still have all of me

You used to captivate me

By your resonating light

Now I'm bound by the life you've left behind

Your face it haunts my once pleasant dreams

Your voice it chased away all the sanity in me

I've been alone all along
