

# Evanescence - Never Go Back

Tom: Eb

**Fm**  
Everything is so dark

**Eb**  
And I know there's something wrong but I can't turn the light on

**Fm**  
In that split second change  
When you knew we couldn't hold on

**Eb** **Fm**  
I realized I lived to love you

**Ab**  
Save yourself  
Don't look back

**Cm Bb**  
Tearing us apart until it's all gone

**Ab** **G** **Cm Bb** **Eb**  
The only world I've ever known sleeps beneath the waves

**Ab**  
But I remember

**Fm**  
I won't give up on you  
I can feel you in my heart just show me the way

**Eb**  
I don't belong here. Alone

**Fm**  
I can still see your face  
Where it's burned into my mind  
I die every time

**Eb**

I close my eyes you're always there

**Ab**  
Save yourself  
Don't look back

**Cm Bb**  
Tearing us apart until it's all gone

**Ab** **G** **Cm Bb** **Eb**  
The only world I've ever known sleeps beneath the waves

**Ab** **Cm** **Bb**  
But I'm the one who's drowning

**Ab** **G**  
Without your love

**Fm** **Ab**  
I am lost and I can never go back home

**Fm** **Cm**  
All across the ocean  
We are calling  
Calling  
Are you there?  
Nothing left for me 'till I find you because it's

**Cm** **Bb**  
All gone

**Ab** **G** **Cm Bb** **Eb**  
The only world I've ever known sleeps beneath the waves

**Ab** **Cm** **Bb**  
But I'm the one who's drowning

**Ab**  
Without your love

**Fm** **Ab** **G**  
I am lost and I can never go back home

**Ab** **G** **Fm**  
I can never go back home
