

# Evanescence - Say You Will

Tom: A

A D  
It's taken you too long to decide

A D  
And I don't want to be the one, the one

G  
Crying over wasted time

A D  
If you think you're strong enough to let me in

A D  
Then come on, stand up and be honest, be honest

G F  
I'm tired of feeling so alone

A  
Cause you won't let me understand (let me understand)

A  
I don't wanna pretend

E  
I wanna feel  
I want to love

A G D  
Say you will or say you won't

F G  
Open your heart to me

A G D  
Now or never tell the truth

F G A  
Is this real? Is this real?

A D  
When you're around I can't fight it

A D  
You get under my skin in a way that I like it

G  
And I can't take anymore

A D  
Tell me what you want from me  
Or leave me alone

A  
Cause I'm all caught up

D  
And I'm losing control

G F  
I'm tired of holding on so tight

A  
And you won't let me understand (let me understand)

F  
Now I'm falling apart

E  
I never meant to lose myself

A G D  
Say you will or say you won't

F G  
Open your heart to me

A G D  
Now or never tell the truth

F G  
Is this real? Is this real?

A G D  
Say you will or say you won't

F G  
Open your heart to me

A G D  
Now or never tell the truth

F G A  
Is this real? Is this real?

G F D A Am  
Like drops of brick...against my heart

Come through like ...

F A  
And I want to make you feel that way

F E  
And I want to make you feel the way that I do

( A )

A G D  
Say you will or say you won't

F G  
Open your heart to me

A G D  
Now or never tell the truth

F G A  
Is this real? Is this real?
