

Evanescence - Sick

Tom: F

Dm
Embrace the silence
Bb **A** **Dm**
Cause there's nothing that can change the way I feel
Dm
Take all that you wanted
Bb **A** **Dm Bb**
Now there's nothing that can change the way I feel
A **C Dm Bb**
Hold on, little girl
C
The end is soon to come

Refrão:

Dm
Sick of it all
Sick of it all
C **Bb**
When night follows
Dm
Sick of it all
Sick of it all
C **Bb**
(When they will) understand how

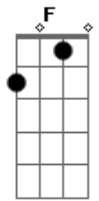

Dm
Sick we are, sick we are
C Bb A
Of this bottomless pit of lies
C Bb
Behind those eyes

Dm
Oceans between us
Bb **A** **Dm**
And there's nothing that can change the way I feel
Dm
I can still taste the poison
Bb **A** **Dm**
Of every thought. Every breathe I wasted here

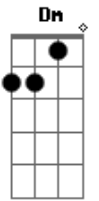

Refrão:

Dm C Bb A
Someday you'll know the pain
Dm C Bb A
Someday I will break through
C (A) **Dm** **C**
And nothing you tell yourself will save us from the truth
-//-
Screaming out
(Refrão)
