

Evanescence - The Chain

tom:
 Em
 Listen to the wind blow, watch the sunrise
 Run in the shadows, damn your love
 Damn your lies And if
 And if you don't love me now
 You will never love me again
 I can still here you saying
 You would never break the chain
 And if you don't love me now
 You will never love me again
 I can still hear you saying
 You would never break the chain

Listen to the wind blow, down comes the night
 Run in the shadows, Damn your love, damn your lies
 Break the silence, damn the dark, damn the light

And if you don't love me now
 You will never love me again
 I can still hear you saying
 You would never break the chain And if
 And if you don't love me now
 You will never love me again
 I can still hear you saying
 You would never break the chain
 Chain, keep us together running in the shadows
 Chain, keep us together running in the shadows
