

Evanescence - The Change

Tom: Ab

(com acordes na forma de
Capostrate na 1ª casa

Thought that I was strong
I know the words I need to say
Frozen in my place
I let the moment slip away

I've been screaming
On the inside
And I know you feel the pain
Can you hear me?
Can you hear me?

Haaa...

(C Am Em) (2x)

Say it's over,
Yes it's over
But I need you anyway
Say you love me
but it's not enough
Never meant to lie
But I'm not the girl you think you know
The more that I am with you
The more that I am all alone

I've been screaming
On the inside
And I know you feel the pain
Can you hear me?
Can you hear me?

Haaa...

(C Am Em) (2x)

G)

Say it's over,
Yes it's over
But I need you anyway
Say you love me
but it's not enough
Now that I'm so different
Now that I don't see
I'm dying lying on what we used to be
But how can I forgive you?
You changed!
And now I'm lying by your side
I'm about to lose my mind

'Cause I've been screaming
On the inside
And I know you feel the pain
Can you hear me?
Can you hear me?
Haaa...

You've been dreaming
If you're thinking
That I still belong to you
And I've been dying
'Cause I'm lying to myself!

Haaa...

(C Am Em)

Say it's over,
Yes it's over
But I need you anyway
Say you love me
but it's not enough
