

Evanescence - Wasted On You

tom:

Gb

[Primeira Parte]

Gbadd9

I don't need drugs

Bbadd9

I'm already six feet below

Ebm

I'm wasted on you

Badd9

Waitin' for a miracle

Gbadd9

I can't move on

Bbadd9

Feels like we're frozen in time

Ebm

I'm wasted on you

Badd9

Just pass me the bitter truth

(Gbadd9)

Love

Bbadd9

Don't you remember?

Nothing could ever change us

Gbadd9

Now

It's easier not to believe

Ebm

We've broken everything

Badd9

But here we are

[Pré-Refrão]

Dbadd9

Numb my head

Ebm

'til I can't think anymore

Badd9

Bbadd9

But I still feel the pain

Once

Bbadd9

This was a garden

Ebm

This was a world

Badd9

All of the nightmares stayed

Gbadd9

In the dark

Bbadd9

A little too much time by yourself

Ebm

And you become the enemy

Badd9

Just look at us now

[Pré-Refrão]

Dbadd9

Drownin' slowly

Badd9

Bbadd9

Just to stay true

[Refrão]
