

# Evanescence - Whisper

Tom: F

wait for 2 bars then go into:

**Dm**  
 Catch me as I fall say you're here and it's all over now  
 Speaking to the atmosphere no one's here and I fall into  
 myself  
 This truth drives me into madness  
 I know I can stop the pain if I will it all away

Verse

**Dm Bb C Dm**  
 Don't turn away don't give in to the pain  
**Bb Gm Em**  
 Don't try to hide though they're screaming your name  
**Dm Bb C Dm**  
 Don't close your eyes god knows what lies behind them  
**Bb Gm Em Dm**  
 Don't turn out the light never sleep never die

Pre-chorus

Chorus

**Dm**  
 I'm frightened by what I see but somehow  
 I know that there's much more to come  
 Immobilized by my fear and soon to be blinded by tears  
 I can stop the pain if I will it all away

Middle section

Strings transposed to guitar

fallen angels at my feet  
 Whispered voices at my ear  
 Death before my eyes  
 Lying next to me i fear  
 She beckons me shall i give in  
 Upon my end shall i begin  
 Forsaking all i've fallen for  
 I rise to meet the end
