

Evanescence - You

Tom: E

(capo 2ª casa)

(intro) E E E

The words have been drained from this pencil

Sweet words that I want to give you

And I cant sleep, I need to tell you... goodnight

When we're together I feel perfect

When I'm pulled away from you I fall apart

All that you say is sacred to me

Your eyes are so blue, I can't look away as we lay in the stillness

You whisper to me, Amy, marry me, promise you'll stay with me

Oh you don't have to ask me, you know you're all that I live for

You know I'd die just to hold you, stay with you

Somehow I'll show you that you are my night sky

I've always been right behind you

Now I'll always be right beside you

(solo) A Dbm (3x)
A B (2x) E E E (intro)

So many nights I've cried myself to sleep

Now that you love me I love myself

I never thought I would say that

I never thought there'd be you
