

Everaldo Peixoto - E Todos Repartiam O Pão

tom: D

E todos repartiam o pão, e não havia necessitados
 Entre eles

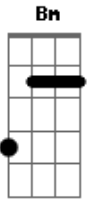

Nossos irmãos repartiam os seus bens

Fraternalmente tinham tudo em comum; e era grande
 A alegria e união no dia a dia e ao partir o pão
 Hoje, de novo, a Palavra nos reúne, e, com a mesma
 União e alegria vamos, na Ceia do Senhor, Partir o Pão?
 Para depois repartir com nosso irmão
