## **Everclear - The Good Witch of the North**

```
I swear I'm gonna marry you someday.....Someday, someday
                            tom:
                G
                                                                [Terceira Parte]
            [Primeira Parte]
                                                                Gb
                                                                I am all alone
Gb
                                                                                   Ab
You pull me down
                                                                And it seems like all I do is wait
                 Δh
                                                                Gb
To the floor of our apartment
                                                                Yes we spend hours on the phone
  Gb
                                                                         Ab
A little while later
                                                                But it's never the same....no
                              Ab
                                                                Gb
We are laughing at our carpet burns
                                                               Nothing good ever does come easy
Gb
                                                                Ab
I like the way that it glows outside
                                                               Nothing good ever comes without a fight
       Ab
                                                                Gb
As the room gets darker
                                                                I am all alone
Gb
                                                                                  Ab
How I wish we could stay like this
                                                                And I wish I was home with you tonight
          Ab
While the rest of the world turns
                                                                [Refrão]
[Segunda Parte]
                                                                R
                                                               My good lover
Gb
                                                                     Db
There has never been a time
                                                                Is my one good thing
                      Ab
                                                                       Gb
When I didn't want to be your boyfriend
                                                                These days
                                                                              Ab
There has never been a time
                                                                You help me keep it all from slipping away
                       Ab
                                                                                   Db
                                                                                                    Gb
When I didn't want to know your name
                                                                I swear I'm gonna marry you someday
                                                                      В
Gb
Free falling from a work in progress
                                                                Yeah, my girlfriend is like
Ab
                                                                Db
                                                               Magic in my hand
Free falling from a life on hold
                                                                                                     Ab
Gh
                                                                       Gb
There has never been a time
                                                                B
                                                                When I lose my sparkle, she's the only one that understands
                   Ab
When I didn't want you
