

# The Everly Brothers - Asleep

Tom: **G**

**G7** **Gm**  
Asleep oh please let me fall asleep

**F** **C**  
It's like heaven when I sleep until morning I forget her

**G7** **Gm**  
I lie awake in my lonely bed in a room without a light

**F** **C**  
Tryin' hard to find a dream that gets me through the night

**G7**  
But sleep won't come it's never there since you're no longer mine

**F** **C**  
And sleep is such a precious thing with your memory on my mind

**D7**  
Asleep (I lie awake in my lonely bed)

**G7** **Gm**  
If I could only fall asleep (in a room without a light)

**F**  
It's like heaven when I sleep (trying hard to find a dream)

**C**  
Until morning I forget her (that gets me through the night)

**G7** **F**  
Asleep (I hate to see the sun go down)

**Gm**  
Oh now let me fall asleep (face another night)

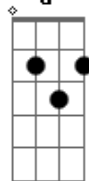

**F** **Gm**  
It's so peaceful when I sleep (I watch the shadows climb the wall)

**C**  
Until morning doesn't matter (as they try to catch the light)

**G7** **Gm** **F** **C**  
Asleep
