

# The Everly Brothers - Donna Donna

Tom: C

Donna Donna why d?ya wanna do that  
 You led me on and lured me on  
 Then you turned me down flat da da da da  
 Donna Donna why?d you wanna do that  
 You tempted me and tortured me  
 And left me where I was at da da da da  
 Donna why'd you wanna do that

Well when I met you at the dance  
 You made me think you liked me  
 I thought that we could find romance  
 You even told me so

You had that promise in your eyes  
 That made my heart get ready  
 You built my hopes up to the skies  
 And then you told me no  
 Well you really fed me quite a line  
 You really snowed me under  
 I thought that things were workin' fine  
 From everything you said  
 But when that Johnny boy came by  
 He really stole my thunder  
 When he gave you the bloomin' eye  
 He really cut me dead
