

# The Everly Brothers - Give Me a Sweetheart

Tom: C

Grow me a heart that won't cheat  
 But will be just for me  
 Make me some lips that won't lie  
 But will smile and speak sweet  
 Give me some eyes that are shined up so blue  
 Give me a sweetheart give me you

Give me some arms that will cling  
 And won't mingle with friends  
 Make me a kiss that will stay  
 Even after it ends  
 Give me a touch that is tender and so true  
 Give me a sweetheart give me you  
 Give me a touch that is tender and so true  
 Give me a sweetheart give me you
