

The Everly Brothers - Hello Amy

Tom: C

Hello Amy it's funny meeting you this way
 Hello Amy I thought of you just yesterday
 Well to tell the truth I think of you almost all of the time
 I couldn't forget you like I said I would
 Amy baby are you still mine
 I was foolish oh so foolish
 I let you go

But I discovered soon discovered
 I loved you so
 Hello Amy I know it's hard to make amends
 But I'll try Amy if you will take me back again
 As time went by I realized I treated you so unkind
 But I paid the cost dear like you said I would
 Amy baby are you still mine
 Amy baby are you still mine
 Amy baby are you still mine
