

The Everly Brothers - I Used To Love You

Tom: G

I used to love you not so long ago
 I used to love you but I can't pretend that I don't know
 Whenever I turn my back you go a-beatin' down somebody else's door
 And in my misery I let you torture me
 I used to love you but I don't love you anymore
 I used to kiss you I used to really care

I used to kiss you but you don't want to treat me fair
 I just don't like to be treated so mean
 And you're the meanest thing I ever have seen
 I'm through with you so long farewell adieu
 I used to love you but I don't love you anymore
 I can't stay with you the thing to do is run away from you
 I don't wanna play the game the rules don't stay the same
 I'm always the one to lo-o-o-ose
