

# The Everly Brothers - I Want You To Know

Tom: C

I want you to know I love her so well  
 I love her so much I can never never tell her  
 Oh boy yeah yeah oh boy oh oh  
 I love to hug her in the mornin?  
 Kiss her ?til the dawning don?t you know whoa-oh  
 Can?t you see what she does to me  
 She keeps my poor heart in misery  
 Oh boy yeah yeah oh boy oh oh

I love to hug her in the mornin?  
 Kiss her ?til the dawning don?t you know whoa-oh  
 Don't you know I love her so well  
 I love her so much I can never never tell her  
 Oh boy yeah yeah oh boy oh oh  
 I love to hug her in the mornin?  
 Kiss her ?til the dawning don?t you know whoa-oh  
 Can?t you see what she does to me  
 She keeps my poor heart in misery  
 Oh boy yeah yeah yeah oh boy
