

The Everly Brothers - Kentucky

Tom: G

D7 **G**
 Kentucky you are the dearest land outside of heaven to me
 Kentucky I miss your laurels and your redbud trees
 When I die I want to rest upon your graceful mountains so high

For that is where God will look for me

Kentucky I miss the old folks singing in the silvery moonlight **D7**
 Kentucky I miss the hound dogs chasin' coons **G**
D7 I know that my mother dad and sweetheart are waiting for me
 Kentucky I will be coming soon **G**
