

The Everly Brothers - Last Song I'm Ever Gonna Sing

Tom: C

This is the ^C last ^F song I'm ever gonna ^C sing
^F The last time I'll play my old guitar
^F I wasted my life and I didn't gain a thing
^{G7} Oh I'm never gonna be a star

I came to Nashville a long time ago
^F People said that I could be a star
^F But all that I remember is loneliness and hunger

^{G7} Oh I sure didn't get so far ^C

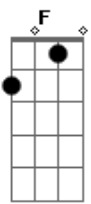

Well the big time operators made a fool out of me
^F It sure don't feel so good to fail ^C
^F I slept on ever park bench in ever park in Nashville ^C
^{G7} Oh I've slept in the Nashville jail ^C

^{G7} Oh I'm never gonna be a star ^C
^{G7} Oh I'm never gonna be a star ^C
^{G7} Oh I'm never gonna be a star ^C
