

# The Everly Brothers - Leave My Woman Alone

Tom: G

If you don't want you don't have to get into trouble  
 If you don't want you don't have to get into trouble  
 If you don't want you don't have to get into trouble  
 You just leave my woman alone

Well I know you are a playboy  
 And you've got women all over town  
 But if I ever see you sweet talk my little girl

I'm gonna lay you body down

Well I know you've got some money  
 And you got a new '57 too  
 But if I ever see my little girl in your new car  
 I'm a gonna do some work on you  
 Well I don't believe in trouble  
 And I don't want to start a fight  
 But if you take heed and stay away from my little girl  
 Everything will be alright
