

The Everly Brothers - Nothing Matters But You

Tom: G

Since we met I sit around and want you
 I don't do the things I ought to do
 I'm so in love I let the world go by me
 Nothing matters but you
 Nothing matters but you
 Every dream I dream I dream about you
 Loving you is all I wanna do
 I'm so wrapped up that nothing can untie me

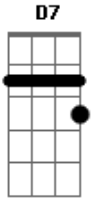

Nothing matters but you

Most folks need a world to conquer
 Something big to do
 They don't know the worlds I conquer
 When I'm kissing you
 Let them all go chasing after rainbows
 I have found my pot of gold in you
 Your love is all I need to satisfy me
 Nothing matters but you
 Nothing matters but you
