

# The Everly Brothers - Problems

Tom: G

Problems problems problems all day long  
 Will my problems work out right or wrong  
 My baby don't like anything I do-oo-oo  
 My teacher seems to feel the same way too-oo  
 Worries worries pile up on my head  
 Woe is me I shoulda stayed in bed  
 I cant get the car my marks ain't been so good

My love life just ain't swinging like it should  
 Problems problems problems  
 They're all on account of my loving you like I do-oo-oo  
 Problems problems problems  
 They won't be stopped until I'm sure of you-oo  
 You can solve my problems with a love that's true-oo  
 Problems problems problems all day long  
 Problems problems problems all day long
