

The Everly Brothers - Rhythm Of The Rain

Tom: C

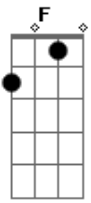

Listen to the rhythm of the falling rain
 Telling me just what a fool I've been
 I wish that it would go and let me cry in vain
 And let me be alone again
 Now the only girl I've ever loved has gone away

Looking for a brand new start
 Little does she know that when she left that day
 Along with her she took my heart
 Rain please tell me now does that seem fair
 For her to steal my heart away when she don't care
 I can't love another when my heart's
 Somewhere far away
