

The Everly Brothers - Should We Tell Him

Tom: C

Mmm mmm should we tell him
 To let him go on trusting isn't fair
 Mmm mmm should we tell him
 Should we tell him that his girl doesn't care
 I took my best girl dancing
 Down to my best friend's mansion
 He met us at the door and said
 Glad you're here
 Before the dance was over
 I saw him call her over
 Then he whispered thought I didn't hear
 Should we tell him

To let him go on trusting isn't fair
 Mmm mmm should we tell him
 Should we tell him that his girl doesn't care
 I left them there together
 Thought that I might feel better
 Down at the cafe where we used to go
 Some of my friends has gathered
 Just for some fun and laughter
 Then I heard two of them a talkin' low
 Should we tell him
 To let him go on trusting isn't fair
 Mmm mmm should we tell him
 Should we tell him that his girl doesn't care
