

The Everly Brothers - Sigh, Cry, Almost Die

Tom: C

Sigh cry almost die I can't kiss you again
 This is the end you've had your fun and now it's done
 I can't love you again this is the end
 You've had your fun and now it's done
 Love is a waste on you
 You couldn't keep it if you tried

You go on being you
 You like to see me sit and sigh cry
 Almost die I can't kiss you again this is the end
 You've had your fun and now it's done
 Sigh cry almost die
 I can't kiss you again this is the end
 You've had your fun and now it's done
 You've had your fun and now it's done
