

The Everly Brothers - That's Too Good To Be True

Tom: **G**

The girl I ^{**G**}loved most all my life ^{**C**} ^{**G**}
 Just told me she'd be my wife ^{**C**} ^{**G**}
 Now we can live our whole life ^{**Em**}through together
^{**G**} ^{**C**} ^{**D7**} ^{**G**}
 But that's too good to be true

We'll get married in the ^{**C**} ^{**G**}spring
 I just bought a wedding ring ^{**C**} ^{**G**}
 Now I just heard her say I do ^{**Em**}forever
^{**G**} ^{**C**} ^{**D7**} ^{**G**}

But that's too good to be true

Love I give with every ^{**C**} ^{**G**}kiss
 No tear stained my happiness ^{**C**} ^{**G**}
 Now we are one no longer ^{**Em**}two my darling
^{**G**} ^{**C**} ^{**D7**} ^{**G**}
 But that's too good to be true

Then one day she ^{**C**} ^{**G**}went away
 Told me she had gone to stay ^{**C**} ^{**G**}
 Now she is back saying she'll be ^{**Em**}true again dear
^{**G**} ^{**C**} ^{**D7**} ^{**G**}
 But that's too good to be true
