

The Everly Brothers - That's Too Good To Be True

Tom: G

The girl I ^G loved most all my ^C life ^G
 Just told me she'd be my wife ^C ^G
 Now we can live our whole life ^{Em} through together
^G ^C ^{D7} ^G
 But that's too good to be true

We'll get married in the spring ^C ^G
 I just bought a wedding ring ^C ^G
 Now I just heard her say I do forever ^{Em}
^G ^C ^{D7} ^G

But that's too good to be true

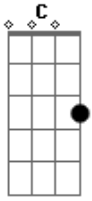

Love I give with every kiss ^C ^G
 No tear stained my happiness ^C ^G
 Now we are one no longer two my darling ^{Em}
^G ^C ^{D7} ^G
 But that's too good to be true

 Then one day she went away ^C ^G
 Told me she had gone to stay ^C ^G
 Now she is back saying she'll be true again dear ^{Em}
^G ^C ^{D7} ^G
 But that's too good to be true
