

# The Everly Brothers - You're My Girl

Tom: C

When I close<sup>C</sup> my eyes and I think of you  
 You wouldn't believe what comes in view  
 Your big brown eyes your<sup>F</sup> tasty<sup>C</sup> lips ahhhh  
 Your tender sighs my my my your<sup>F</sup> shapely<sup>C</sup> hips  
 You'd be surprised what I visualize

<sup>G7</sup>  
 I mean to tell the world  
<sup>C</sup>  
 You're something else<sup>C</sup>

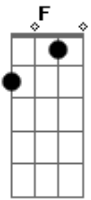

And you're my girl  
 When I lay myself down to sleep  
 I count your charms instead of sheep  
 The way you walk your<sup>F</sup> swing and sway<sup>C</sup>  
 The way you talk hey hey hey the things you<sup>F</sup> say  
 I can't believe you belong to me<sup>C</sup>

<sup>G7</sup>  
 I mean to tell the world  
<sup>C</sup>  
 You're something else<sup>F</sup>  
<sup>C</sup>  
 And you're my girl
