Tom: D

G D A x2

G D A
It feels like I'm up on a wire,
G D A
And you just keep lifting it higher
Bm G
I'm right on the edge,
D Bm A
And I'm doing my best not to fall

G D A
It feels like the world's spinning faster,
G D A
Towards a beautiful perfect disaster
Bm G
The moment you kissed me,
D Bm A
I knew I was risking it all...

Em G
The further I run from you baby,
D A Bm A
The closer I get to the truth
Em G
And I feel like nothing can save me,
D A Bm A
It's something I just can't undo,
G D Em A G D A
Cause I can't not love you

G D A

The further I run from you baby,
D A Bm A
The closer I get to the truth
